GLOUCESTER BULLS AVAILABLE FOR AI 2024

Semen has been collected from a number of bulls over the years, by the Rare Breeds Survival Trust in association with the Gloucester Cattle Society. Our thanks to the RBST for the collection, storage & distribution of the semen & to Mr & Mrs Driver for independently collecting their bull Howslack Jacobite with the RBST.

A maximum of 10 straws will be sold of each bull to each breeder per year.

Unless otherwise stated straws cost £10 each +VAT
